

Dnipro Appeal Update – August 2010

Turnstile Collection at Easter Road

Europa Cup action at Easter Road this month, marking the start of the 5th anniversary of the Dnipro Kids charity, saw the Dnipro Appeal Committee and supporters rattling buckets at the turnstiles. A thank you goes to Hibernian Football Club for allowing us to collect at the game, a thank you to all those that volunteered for the bucket shaking duties and a huge thank you to everyone that donated..

A total of £1,039 was collected on the night.

The next turnstile collection is scheduled for the Hibernian v Celtic match on the 15th of January and we will certainly need a good turn out of volunteers for this fixture.

New Slippers for Odinkovka

After a request from the director at the Odinkovka orphanage the children were provided with new slippers for wearing inside. Most of the orphanage floors are concrete and, although tiled, they can get quite cold, as well as a bit dirty. The slippers are very important and, as you can imagine, need replaced more often than the orphanage can afford.

Some of the girls with their new slippers.

Some of the boys with their new slippers.

September Trip

Members of the Dnipro Appeal Committee will be travelling to Dnipropetrovsk on the 5th of September. It is an important opportunity to meet with the Directors and children at the orphanages to discuss the past year and to see what improvements there have been and what improvements can be made in the coming year.

If any child sponsors would like to send any letters, and photographs, to their sponsored child (the kids really do cherish these) then please ensure that they reach us by the 1st of September. Small gifts may be able to be taken as well but luggage space will be very limited.

Dnipro Kids on Facebook

Dnipro Kids is now on Facebook.

Add them as a friend and keep updated.
